OUR STAFF

We are very proud of our teaching faculty here at Star Academy. The teachers help to make the studio a friendly, happy and safe place.

They also deliver a high quality of education in their subject areas of performing arts and have all had extensive training and exposure in their subject choice. We would love for you to head over to our website to read their biographies.

Performing Arts Mentors and Teachers are different to those teachers at school; in our experience, they become part of your child's life in quite a big way and we love to see the relationships grow between teachers, students and their families. Our teachers are always there for student support and guidance.

OUR STUDIO

Star Academy Studios is a vibrant, colourful, urban venue consisting of 4 dance studios studios, 1 drama studio and 2 singing studios all equipped with sound systems, mirrors, ballet barres, microphones, high ceilings and wooden flooring.

Parents can relax in our lounge area while waiting to collect their children. We have canteen facilities available including tea and coffee. We look forward to seeing you around the studios!

WELCOME

STAR ACADEMY

Welcome to Star Academy Institute of Performing Arts and thank you for your interest in 2022.

Star Academy is a family owned business established in 2011. It is headed by Jenna Boffa-Maiolo, Managing Director and Kristy Burns, Academy Principal whose passion for entertainment, the arts and children has inspired them to create a new, innovative, and professional institute to assist children to reach their potential.

Star Academy is proud of the family environment that has developed between staff, students and their families and we are so grateful for the amount of support we have received over the past 10 years. It is beautiful to watch friendships build in class, not only between students but also between students and teachers, and their families.

We try our very best to ensure that communication between all stakeholders is clear, detailed and timely to eliminate any stress or confusion for our students and families.

OUR MISSION

Star Academy aims to release the inner potential of its students by providing quality education in all facets of performing arts in a safe and professional environment. We welcome parents to speak to our teachers with regard to identifying the best choices for their children and develop a program which best suits their needs. There will be many opportunities for students to showcase their work in mid year and end of year concerts, term reports and parent viewing days.

PERFORMANCES

Star Academy has several opportunities for students to perform throughout the year for their different subjects. We try our very best to ensure that students are on stage twice a year in each subject they undertake.

MID YEAR CONCERT

Our Mid Year Concert allows our students to get on stage in a relaxed environment and showcase their progress from the first six months of the year. Students wear Star Academy Uniform instead of costumes. Students are able to show their parents what they have been working on for the past two terms and this gets them used to performing on stage.

END OF YEAR PRODUCTION

Our End of Year Production is our main and biggest event on the school's calendar, normally in December. It is a very special performance for our students, as they get the opportunity to display what they have been working on throughout the second half of the year to all their family and friends. The best part is they get to perform, wear costumes and makeup and are on stage all with their classmates. We are grateful to be able to give our students the opportunity to perform in a professional live show in a working theatre. No song or dance is ever the same from year to year, this gives the students the opportunity to learn new styles and new skills.

SINGING PERFORMANCES

The Singing Department hosts an Open Mic Show - once a year - whereby all the private singing students put on a show in a relaxed and intimate setting. It's a fantastic day/night where students have the freedom to choose their own songs and work on them with their teachers throughout the term. We love our Open Mic Shows! In recent years, our Private Singing Students pair up with another private student and also with some dancers for our End of Year Production. This way, they get the best of both worlds in performing.

ACTING PERFORMANCES

The Acting Department perform in their own show hosted once a year. This allows the acting department to showcase their work in a theatre setting. We encourage all performing artists to undertake acting, as it is the foundation to performing. It helps to instill confidence to students. Older students of the Acting Department are also used in our End of Year Production.

ELITE COMPETITION TEAMS

In 2015, Star Academy created its first Elite/Performance Teams. A group of students were selected through an audition process to form our Elite Teams. Elite Team members are selected because of their high standard and this is due to the amount of training they undertake.

Elite Team members participate in numerous competitions throughout the year, participate in jobs, gigs and performances as they arise.

All Elite members will undertake 5 or more hours of Elite Class every week which is comprised of Dance Troupe, Singing, Acting, Exams and Ballet. Elite teams train in all genres of performing arts enabling them to perform for a variety of shows and events.

For students who are interested in auditioning, we recommend training in as many disciplines as possible.
